WEEKLY REPUBLICAN—1907.  
DAILY PUBLIC LEDGER—1892.

MAYSVILLE, KY., WEDNESDAY, SEPTEMBER 20, 1905.

ONE COPY—ONE CENT.

ALTOGETHER 2 10-DEK.  
I'm in a 10-der mood 2-day.  
And feel poetic, 2;  
4 fun I'll just — off a line,  
And send it off 2 U.  
I'm sorry you've been 6 O long;  
Don't be disconsol'd;  
But bear your ills with 42de,  
And they won't seem so gr's.

London News.

THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

IF you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

The body of an unknown man, killed by a fall from a train, was found near the Berry tunnel on the L. and N. Railroad, not far from Cynthiana.

Mr. Simon Nelson, who has been so very ill for the past several months, is improving right along. His friends were pleased to see him out driving yesterday afternoon.

The political chiefs are donning war paint for the battle of the ballots in November. The pot will sizzle and boil after Saturday. George Campbell and his cohorts will likely be in the deal after all.

John Jenkins, one of the very worst characters of the West End, was fined and costed \$25.50 in Judge Whitaker's Court yesterday for assaulting and beating young James Hason in an unmerciful manner.

It is not an uncommon thing to rain frogs, but it is rather an unusual occurrence for a bountiful supply of large, fat pickles, such as stewed Market street after the last two heavy rainfalls. It is a phenomena yet unsolved.

Mrs. Mahala Dunkel and Mr. H. H. Goodwin and wife have traded property, Mrs. Dunkel going to Tollesboro, while Mr. Goodwin will take possession of the former's property in the East End. He is now conducting a broom factory in the Fifth Ward.

Repairing of all kinds done better, more neatly and cheaper than you can have it done elsewhere. Try us when your watch, clock or jewelry needs repairing. All work done promptly and by experienced workmen.

MURPHY, the Jeweler.

Mr. William Huron, the gentleman for whose arrest the police have a warrant, was a passenger down on one of the packets last evening, and came up town and called on some of his friends while the boat was lying at the landing. He was traveling in company with a lady.

The necessity of larger sewers at the foot of Market street was fully demonstrated by the hard rain and overflow of the street in that vicinity last evening. The street was impassable and the flow of water was almost equal to a mill-tail. The large pipe for the sewer has arrived and the work ordered to be done at the last meeting of Council will no doubt be completed without further unnecessary delay.

Thomas, little son of Mr. and Mrs. James Butcher, living on the Germantown pike near this city, sustained a very serious accident a few days ago that will probably make him a cripple for life. While playing in a neighbor's yard he fell, striking one of his knees in such manner that the "water" socket was dislocated. He was taken to his home and when a physician was called later he pronounced the injury a very serious one.

## A DEAD LETTER

The Vagrant Law Should Be Taken Off the Kentucky Statutes

The vagrant law is a dead letter if judgment is based on the number to be found loitering about the street corners and alleys of this city.

It is not an uncommon sight to see one of those ragamuffins tackle a person on the public thoroughfares and in a manner demand a nickel, with which the growler is rushed in a nearby stable.

They violate the law every day in the week, and at times almost under the very nose of the guardians of the peace.

If a person thus held up refuses to comply with the demand he is made a target for abuse and insult.

It is about time to call a halt and give this class of idle and indolent loafers and leeches to understand that the town is not run altogether for their special benefit.

## Editorial Correspondence.

WASHINGTON, D. C., September 17, 1905.  
I took F. F. V. leave of old Maysville half an hour behind time last afternoon, accumulated an additional 120 minutes of lateness through the dumping of a pair of empty freight cars at Buena Vista, and rolled into this burg today a couple of hours after Sunday-school was over, much to my disappointment. However, as it was raining I managed to curb the regrets, for I belong to the fraternity that knows enough to stay in out of the damp.

I haven't as yet had a chance to see Teddy and tell him how to run the Gov't, but as everything seems to be going on smoothly, with

the hotels crowded to the roofs and the street-cars to the running-boards, guess I'll leave that job to the fellows who edit the other papers. They know how—I don't.

A Maysville visitor has no real business in Washington until he calls on TITE ELLIS; then he is kept moving, for TITE knows everybody worth knowing, knows all that is worth finding out, and is at once an Encyclopedia and a genial traveling companion. He is now owner of the news depot at the Mt. Vernon Railway Station, and if he survives a few years will be able to buy one of the Reservations in Pennsylvania avenue—or a wing of the Capitol.

The clouds rolled by about midday, and this afternoon I headed for Arlington—America's sacred shrine, where sleep 20,042 of the Nation's defenders—Generals of highest rank beside Admirals, private soldiers known and unknown; those who gave their best service on land and sea, both in the Civil War and in the War with Spain, together with a large number of brave Confederates—all at peace 'neath the greenward and in the noble forests which cover 408 acres of General Lee's former home. This is the World's most picturesque Necropolis. It is, like other National Cemeteries, maintained by Government, and set apart as the burial place of the Government's defenders, where the same affectionate care is administered in the case of an unknown private soldier as in the case of the most distinguished officer. True, most of the officers—Sheridan, Wright, Ordway, Crook, Belknap, Meigs, Gibbon, Benet, Doubleday, Sampson, and scores of others, have imposing and costly monuments, but they were erected either by their families or by military organizations; yet, with all this pomp, nothing is so impressive as the long lines of simple white headstones, containing merely the name of the soldier, his Company, his Regiment and the date of his death, or that huge granite pile beneath which repose the bones of 2,111 unknown, gathered after the War from the battlefields between the Potomac and the Rappahannock. The Lee Mansion stands today just as it stood when occupied by the Custises and the Lees, but the surroundings are all changed. A visit to Arlington will prove a most enduring sermon on the mutability of human affairs.

Tomorrow I'm going down to the Treasury to see if I can dig out enough of Mr. BRYAN's silver dollars to pay for a peck of steamed oysters.

Thomas A. Sayle

## THE SECRET OF SUCCESS

"No, Sir! You cannot palm off any substitutes on me. I've been using August Flower since I was a boy, and I'll have no other."

Forty million bottles of August Flower sold in the United States alone since its introduction! And the demand for it is still growing. Isn't that a fine showing of success? Don't it prove that August Flower has had unflinching success in the cure of indigestion and dyspepsia—the worst enemies of health and happiness? Does it not afford the best evidence that August Flower is a sure specific for all stomach and intestinal disorders?—that it is the best of all liver regulators? August Flower has a matchless record of over 35 years in curing the ailing millions of these distressing complaints. • Two sizes, 25c and 75c. All druggists.

## A GOOD LAW

One That Maysville Should Adopt and Rigidly Enforce

It remained for Houston, Texas, to gain the everlasting philological fame of adopting "goo-goo eyes" into the English language.

The ordinance adopted by the city of Houston would not be a bad law for this city to copy and adopt.

Section 1 of said ordinance reads—

"That hereafter any male person in the city of Houston who shall stare at or make what is commonly called 'goo-goo' eyes at, or in any other manner look at or make remarks concerning, or cough or whistle at, or do any other act to attract the attention of any girl or woman upon the streets of Houston, with the intent or in a manner calculated to annoy, or to attempt to flirt with any such girl or woman, shall be deemed guilty of a misdemeanor, and upon conviction thereof in the corporation Court be fined any sum not to exceed \$100."

ORDER OF ODDFELLOWS

Membership of Subordinate Lodges Runs Into the Millions

At the eighty-first annual meeting of the Sovereign Grand Lodge, Independent Order of Oddfellows, now in session at Philadelphia, the report submitted by Grand Sire Wright shows the total Subordinate Lodge membership to be 1,217,145; Encampment membership 177,839, and Rebekah membership 474,059.

The number of Subordinate Lodges is 14,315. The expenditures for relief amounted to \$4,633,649; the total revenue \$18,638,791, and the total resources \$37,645,071.

The increase in membership of the Subordinate Lodges last year was 65,724; in the Encampment branch 9,990; in the Rebekah branch 26,391, making a total increase of 102,105.

The Patriarch Militant shows a decrease in membership, resulting from the clearing out of names that really did not represent active members of that branch.

The increase in receipts shows \$751,077, in resources, \$2,974,951, and the increase in relief, \$307,139.

Joshua Green and Lily Countee, colored, were granted license to marry yesterday.

MORE HOMES NEEDED

All who will be kind enough to entertain delegates will confer a favor by giving their names to Dr. P. G. Smoot, Mr. J. B. Russell or Mr. J. Ed. Parker.

I have some good small farms, ranging in size from 20 acres to 75. They can be bought cheap. If you have \$500 cash you can buy one of these farms and get easy payments on the remainder. Why do you continue to pay rent when you can own a farm? Come and buy from John Duley.

WILL YOU HELP?

A Worthy Young Lad Wants to Buy an Artificial Limb

Master John D. Beecraft, a sprightly lad of Aberdeen, lost his right leg by bloodpoison some time ago, and is now trying to secure enough money to buy an artificial one.

He is a manly little fellow, worthy of assistance, and his appeal should meet hearty response. A trifle from each will accomplish the result.

Donations may be left at The Ledger Office, and all sums, however small, will be gratefully accepted.

Change of LIFE

Need Not Bring Suffering and Misery

This perfectly natural change in a woman's life is too often accompanied by painful, distressing symptoms due to female troubles and slight irregularities in her delicate organism.

The woman who passes this change without the development of tumors, cancers, or chronic invalidism enters a new field of happiness and usefulness in the domestic circle and in social activity. Her physical system should receive the necessary assistance at this critical period.

Lydia E. Pinkham's Vegetable Compound

is exactly suited to woman's needs at this time. It strengthens and cures all derangements of the female organism, it overcomes the hot flashes and dizzy fainting spells, and all other distressing symptoms.

I Was in Bed for Three Weeks

DEAR MRS. PINKHAM:—I suffered a great deal during Change of Life. I flowed steadily for eleven weeks, and it made me so weak I was in bed for three weeks. I began taking Lydia E. Pinkham's Vegetable Compound, although it was against my doctor's will and I had to hide it. I took it regularly until I had taken five bottles, and it brought me out all right, a perfectly strong, well woman. Any one can tell how healthy I am by looking at my picture, and any one can write to me or my daughter about our wonderful cures.

Mrs. F. M. MUSHRUM, East Chicago, Ind.

The whole secret of safety at this time of life is thorough preparation before the change begins. Fortify the system with a course of Lydia E. Pinkham's Vegetable Compound. This wonderful medicine has carried thousands of women through this danger period.

No such helpful advice to women who are sick can be had anywhere as will be received free by addressing Mrs. Pinkham, Lynn, Mass.

**Statistics Show That Women Teachers Are in the Majority**

That school teaching in Kentucky is becoming a woman's occupation is one of the conclusions obtained from an interesting bulletin just issued by the Census Bureau at Washington.

It shows that in 1890 the percentage of female teachers to male teachers in Kentucky was 62.4 to 37.6. In 1900 the percentage of females to males was 63.4 to 36.6.

All over the country men are getting out of the occupation of school teaching and are identifying themselves with more remunerative callings. In 1870 over one-third of the teachers of the country were male; in 1900 a little more than one-fourth were male.

In Indiana the exodus of men from this calling is more noticeable than in Kentucky. In 1890 men comprised 42.4 of all the teachers in Indiana. In 1900 only 39.6% of the Indiana teachers were male.

**TIME IS THE TEST**

**The Testimony of Maysville People Stands the Test.**

The test of time is what tells the tale. The public soon find out when misrepresentations are made, and merits alone will stand the test of time.

Maysville people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? A cure that lasts is the kind that every sufferer from kidney ills is looking for.

W. H. Paul, carpenter by trade, living at 333 East Third street, Maysville, Ky., says: "I value Doan's Kidney Pills as highly today as I did when I first used them in 1899. I got a box and used it for a pain in my back and other evidences of a disordered condition of the kidneys which had given me much trouble for two years or more. This remedy acted promptly and I was soon cured. I did not notice any of the difficulties until some four years later, or about a year ago. I again procured Doan's Kidney Pills at J. James Wood & Son's Drugstore and all symptoms of the trouble were quickly and thoroughly removed. Since then I have not noticed any signs of trouble of any kind arising from my back or kidneys. I most cheerfully re-indorse Doan's Kidney Pills, for they are certainly worthy of recommendation."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
